The Sagar School

The Sagar School is situated near a tiny hamlet called Baghor in tehsil Tijara, district Alwar of Rajasthan in the lap of picturesque, clean and pollution-free environment of the Aravalli mountain range. It is a two-hour drive from South Delhi, tucked away from the hustle and bustle of city life. It has a sprawling campus of 150 acres of undulating contours and low buildings made of local stone that blend well with the landscape. It is indeed a sight to behold. A dash of romance is lent by the remnants of the 19th century Tijara Fort which stands majestically atop a hill overlooking the campus – forever reminding one of its pristine glory and of the rich heritage and grandeur of the state of Rajasthan.
